**VICTORIAN ALL SCHOOLS SWIMMING CHAMPIONSHIPS** is the **MUST ATTEND** event in the swimming calendar. This championship event is growing year on year with a larger number of athletes and schools attending. The 2017 competition promises to be even bigger with schools from all associations joining in the state's biggest school swimming event in a night of spirited relay competition and fun.

The backdrop of the event is superb - at MSAC, overlooking the City of Melbourne. Teams are encouraged to bring school marquees and set up on the adjacent pool deck and grassed areas. This event is not your average swim meet and presents a rare opportunity for schools to see how they rank alongside schools from all associations.

**Join us in celebrating the best that school swimming offers.**

Places are strictly limited and for a small registration fee, secure your team for the school swimming event of the year, the **2017 Victorian All Schools Swimming Championships** .

**MSAC. Thursday 9th March, 2017. Warm up 5.00pm. Racing from 6.00pm.**
